

Well we're almost there, \$17,109.00 (90%) as of today. We're so close we can actually see the summit!!!!

*As I mentioned in the October Newsletter, the **Pig-e-Bank** and **Christmas Wreath Campaigns** are underway. The attached flyers/posters advertising the two campaigns are ready to be posted in any location that you feel appropriate. **Please spread the word and let the orders begin!***

Pig-e-Bank Halloween Campaign --- *As a child I remember feeling so proud of myself when I was able to give some of my pennies to help the starving children of Africa. I didn't have a [UNICEF](#) or Pig-e-Bank box to bring with me on Halloween night, but I'm sure that I would have if I had been aware of them. I know a lot of you and your children used to carry UNICEF boxes and that they would love to help and share their good fortune with the African children. I plan on having my own box and going around my neighborhood on Halloween (probably dressed as a hiker). The GiveMeaning Foundation is providing us with all the boxes that we want at no charge, which means that every penny collected from this campaign will go to the Stephen Lewis Foundation in support of the Grandmothers to Grandmothers Campaign, if your child chooses my project when they register their Pig-e-Bank. The major benefit of the Pig-e-Bank is raising awareness by using the vast power of the internet. The other beauty of the boxes is that they can be displayed in your office, lunchrooms, local convenience stores, etc. collecting pennies and raising awareness even before the big day. **So order your boxes today to maximize your penny count!!!***

IMAGINE these pennies from heaven making their way to Africa because of our own little angels!

Christmas Wreath Campaign --- *These fresh, fragrant Holiday Evergreens are a must to complete any home's Holiday decorations. They are hand crafted by the families in a small village of 759 in Lunenburg County, Nova Scotia. The woodsmen gather and deliver the seasoned fir boughs and trees to the DeLong Farm's Hatchery where the women and neighbours work the wreaths and bind the trees, while sharing interludes of gentle gossip, warm tea and shared laughter. Each product is tenderly wrapped in its own humidity controlled gift box to ensure long intense fragrance and greenery and making them extremely suitable for gift giving. **Place your order by November 10th for delivery December 4th.***

IMAGINE yourself on Christmas morning, admiring your beautiful wreath, centerpiece or both knowing that your action not only helped our wonderful African Grandmothers enjoy another blessed Christmas with their grandchildren, but also helped these creative and caring Nova Scotia families maintain their legend in the Christmas Tree Capital of the World.

As always, please let me know if you do not wish to receive these communications. But if you like what you see, please pass it along to your friends, family and neighbours. Knowledge is power and meant to be shared.

On behalf of the African Grandmothers, thank you for your time, generosity and continued support!!! ☺

Luv... Gigi
